The Auditors have examined the accounts of the Town and Town School District Officers as submitted and we believe them to be correct as presented herein.

To avoid confusion of the tax collector's accounts and audits all unpaid taxes on closing of the year's account will be reported as delinquent.

The partial payments of delinquent taxes in the hands of the collector on Jan. 1, 1943 amounted to \$80.45.

We have included in this report an "Honor List," which is as nearly correct as we could make it to date. Some of these names are of boys formerly living in our town but whose legal residence at the time of induction was not in Rutland Town.

SHERWIN L. WILLIAMS,
DONALD V. RUSSELL,
LEIGH L. HUNT,
Town Auditors.

REPORT OF THE SUPERINTENDENT AND DIRECTORS

January 15, 1943

To the Citizens of Rutland Town:

One year of the present world conflict has brought the expected special demands upon the schools as well as to our homes and community. Plans for the ensuing year have to be made in accordance with further restricting factors that will affect the services we share.

During the past year no new construction work was done to any of the schools. Attention to upkeep was limited to minor adjustments, which included interior painting of the Dyer and Post schools; installation of storeroom space at the Center, with some new electrical fixtures and window repairs; cold air shaft built at Haiti, and enlargement of the kitchen there with the aid of community funds.

Plans for remodeling the Mill Village or Post schools are awaiting a favorable turn in war conditions. Since previous figures on construction at Cheney Hill have not been reported in one amount we herein submit the final total as \$6,226.23.

Accompanying tables may be examined to furnish one with figures on budgetary items, enrollments, graduates, and costs. A ten per cent increase in teachers' salaries was made for the current year. A decrease in high school tuition is evident, with a decrease in eighth grade graduates, and because war events may have reduced high school enrollees. The elementary enrollments show a continued drop, with 16 less than a year ago.

Standard tests were again used to check achievement and the results showed very good comparisons to other areas as an indication of favorable teaching in the accepted subjects.

School activities have been directed more to war service on the home front. The schools have purchased about \$1200 worth of savings stamps and bonds since January 1, 1942. The initial drive to collect scrap iron in all the schools netted a total of \$223.75. At least 64 school children had Victory gardens in response to the effort to increase home production of food. There

are 136 pupils now enrolled in the Junior Red Cross, which is being sponsored in the schools to promote safety and health, also international good will. Respective Parent Teacher organization have continued to work out helpful projects at their schools. A total of about \$425 has been realized to carry out the following: hot lunches at Center, Dyer, Haiti, Mill Village and Cheney Hill; first aid boxes at Center and Cheney Hill; dental clinic and summer check-up at Post; health examinations by a physician at Haiti; and other worthwhile things accomplished, not reported, that otherwise should be mentioned.

The schools were used for registration centers during the rationing program which began May 4, 1942. All teachers took part in registering applicants during sugar rationing the week of May 4-9, and again for gasoline rationing the week of May 11-16. During a third rationing, for gasoline, those teachers not away for the summer volunteered their services at registering during the week of July 6-11. Their 633 hours so devoted, some 130 of which were during school time, were supplemented by an equal amount of time donated by local helpers.

The schools are again asked to participate in the forthcoming program of registering everyone for War Ration Book No. 2, to be issued about February 1, 1943.

W.P.A. assistance in the hot lunches is being discontinued, hence some reduction will take place in the way this project has assisted most of the children usually carrying lunches to school. It is likely that the program of special noon lunches will be further curtailed as surplus commodities become no longer available.

During the past fiscal year we have received \$3,053.38 in state aid. Its purpose to help equalize educational opportunities of all children in Vermont reaches us in proportion to the amount of standardization and good attendance we promote. Such funds are allotted specifically to rural teachers' salaries, advanced instruction, transportation, tuition, supervision, and building improvements.

The music program in our schools has resulted in the building up of rhythm bands, a keener participation in such activities as operettas and pageants, and further growth in the reading of

music and its appreciation. Mrs. Alice Nichols has enjoyed the cooperation of the teachers in supervising a mutual plan of music education.

In spite of the great importance that war demands are making at the present time, it seems well to state herein some of the objectives of public education that must be maintained to help win the war and to contribute to whatever counts after it:

To develop intelligent citizens for our democracy.

To understand and recognize the rights and privileges of others.

To train for individual, social and economic welfare.

To gain educational opportunity for all.

To develop physical, mental and spiritual health.

To gain creative ability and to know esthetic values.

To learn ways to use leisure time properly.

To discover truth at all times in all things.

To develop local, national and international understanding.

To inculcate a patriotic spirit to preserve the nation.

We acknowledge, with appreciation, the work of our teachers, the Parent Teacher organizations, respective groups and individuals, and all who have contributed in the support of our schools.

Respectfully submitted,

ARTHUR W. HAWLEY,

MRS. R. C. BUCK,

MRS. DAVID DICKINSON,

School Directors.

FRANK O. STILES,

Superintendent.

OLD AGE ASSISTANCE DEPARTMENT

STATE HOUSE

MONTPELIER, VERMONT

For the information of your taxpayers, the customary annual statement is presented for your town report.

Payments of old Age Assistance to persons applying from your town amounted to \$3,451.50 during the year January 1, 1942 to December 31, 1942.

The number of recipients in December, 1942 was 14.
Town paid to State, \$1,541.25.

As this program touches every community and many persons, we believe the public should know the following facts:

The increase in the cost of food, fuel, rents and services constitutes a serious problem to persons dependent on small fixed allowances and has been the cause of much concern to the Old Age Assistance Department which is responsible for the welfare of about 5,400 aged individuals now receiving assistance. In addition, there are some 500 eligible applicants who cannot yet be helped because sufficient state funds are not available.

The resources of this department and its ability to make grants are determined by the state appropriation which is matched by federal funds. The Legislature, conscious of the needs of the aged citizens of the state, has frequently given favorable consideration to this problem. The expenses of administering the program have been the lowest of any state in the Union on a comparable basis.

The advice and council of local officials and interested persons have been very valuable and are gratefully acknowledged.

Very sincerely yours,

W. ARTHUR SIMPSON,
Director.

CIVILIAN DEFENSE ACTIVITIES

To the Citizens of the Town of Rutland, Vermont:

Herewith I present a resume of the Civil Defense activities entered into by the Town of Rutland during the past year.

Our Council, or Central Governing Body, has been composed of your Selectmen Ex-officio, your Director of Civil Defense, Mr. Andrew Orzel, Mrs. H. Edward Dyer, Mrs. Harley Blakey, Mrs. R. J. Hubbard and Miss Ann Reilly, who in addition to other duties will act as Personnel Officer.

By reason of the wide dispersal of our residents it has seemed more feasible to work through local groups rather than to attempt to centralize the efforts of the widely scattered communities. We have therefore worked so far as possible through the Parent-Teacher groups connected with the various schools.

Mr. Walter Dunton of Center Rutland has been appointed Chief of Forest Fire Protection, with such men as may be available at the time, and an additional group has been appointed under charge of George Livak which will be able to act at once in case of forest fires in the North and Northeast parts of the Town. This group has been furnished with four additional pack pumps to be kept with their group for immediate use in that section if needed.

Center Rutland, which, owing to its size, closer settlement and the fact that plants of the Vermont Marble Company are there located, would in all probability be more endangered by incidents resulting from war conditions than would other parts of the town, has been placed under direct charge of Mr. Harley Blakey, assisted by Mr. Andrew Orzel, and has included the following appointments:

Special Deputy Sheriffs:

(Chief) William Hurley
Axel Holmquist
Norbert LaBelle
John E. Halliday
John Stomper
Charles McDevitt (died Nov. 1942)

Auxiliary Fire Department:

(Chief) Renato DelBianco
(Asst. Chief) William Erickson
Araldo DelBianco
Clarence Olson
Mike Czilyo
Joe Solari, Sr.
Frank Miglis
John Liptak

whose duty it is, at any alarm, to man the pumps at the Vermont Marble Company plants and take such measures as may be necessary for protection of this and such other property as may be within reach.

Air Raid Wardens:

(Chief) Harley Blakey
(Asst. Chief) Umberto Trinci
Paul Gawet
William Sharp, Jr.
Leon Boutwell
Miss Gladys Dickenson
Leonard Johnson

Blackout Patrol:

(Chief) John Sabotka
(Asst. Chief) Renato DelBianco
Joseph Solari, Sr.
Thomas Burke
John Flory
Ernest Fredette

First Aid Instructors:

(Chief) Miss Anne Reilly
Miss Gladys Dickenson
Joseph Solari, Jr. (now in U. S. Army)
Leonard Johnson

Standard Course, First Aid:

Miss Anita Terenzini
Miss Iola Trinci
Miss Alice DelBianco
Miss Eris DelBianco
Mrs. Helen Orzel
Harley Blakey
William Sharp, Jr.

who are assisted by volunteers who have not yet completed the Standard Course of instruction.

Messengers:

(Chief) Joseph Gill
(Asst. Chief) Walter Ciemiega
Walter Sapenski
William Blickarz

In the Dyer District the following were appointed:

Special Deputies:

Robert H. Harrington (now out of state)

Air Raid Wardens and Blackout Patrol:

(Chief) Robert N. Harrington
(Asst. Chief) Roger Wood
Lee Brown
R. C. Buck
Mrs. R. C. Buck
Robert Dezero
George McCullough

First Aid (Advance Course):

Mrs. William Harrington
Mrs. Geo. Ruane
Mrs. William Lloyd
Mrs. Harley Spafford, Sr.
Mrs. Harley Spafford, Jr.
Mrs. John Oney
Miss Iona Wood

assisted by about twenty-five volunteers who have been taking the first course only.

Messengers:

Robert M. and Philip E. Kingsbury

The Haiti District, under the group leadership of Mrs. R. J. Hubbard, ably assisted by Mr. and Mrs. Charles Prior, Mrs. Percy Crossman and Mrs. Romaine Woods as Advanced Red Cross First Aid Workers, and assisted by volunteers who have not completed the Advanced Course, has done most commendable work along these lines and has, I believe, the most complete First Aid Equipment of any of our groups, including a 16 unit First Aid Kit, Blankets, Pillows and Cases, 3 full sets of Splints, 24 Triangular Bandages, etc. This group showed evidence of so much preparatory work that your Council turned over to it one of the stretchers provided for such groups as had demonstrated their organized ability to use and care for them.

Auxiliary Police assigned to the Haiti group are:

Constable Alonzo Philbrick
Special Deputy Sheriff Wilbert Fredette

Messengers:

Kenneth Fredette
Leland Williams
Charles Loyzelle
Bernard Niles
Theodore and Ronald Parent

The Post, Cheney Hill and Mill Village Districts, which have heretofore operated as one group, have now been placed under direct supervision of E. H. Hemenway, with view of group formations which we trust will add to efficiency and make it feasible to accomplish results more valuable to residents so widely separated.

Operating with these groups have been:

Special Deputy Sheriffs Martin Douglas
Robert Davis
Donald Russell
Fred F. Clark
Lawrence Wheeler
(not yet qualified by oath)

Chief Air Raid Warden and Advanced First Aid:
E. H. Hemenway

Red Cross Instructor:
Frank Barnes

Advanced Course:

Mrs. S. G. Young
Mrs. M. Douglas
Mrs. Olin Leonard
Mrs. Will Leonard
Mrs. Edward Senecal

Air Raid Wardens and Blackout Patrols:

A. W. Peters
Donald Swan
Sherwin Williams
Myron Beebe
Morris Hawley

Messengers:

A. W. Peters, Jr.
Ralph and Cyrus Elmore, Jr.
Duart and Rupert Leonard

The several blackouts have been, on the whole, very successfully carried out, and in the daylight practice held last fall the groups at Haiti, Center Rutland and Cheney Hill, in the order named, are to be especially commended for the manner in which they carried out various incidents covering casualties of many sorts, fires and incendiary bombs.

Although not directly connected with Civil Defense, I wish to call attention to the results attained by ladies, assisted by the school children of the various school districts, in raising money for the following charitable and military purposes during the past year:

U. S. O.	\$100.01
Soldiers' Kits	105.00
Russian War Relief (at last report)	70.00

The Salvage Drive has been very capably managed by Sherwin Williams.

So far as reported to me, our town was one of two in Rutland County which exceeded its quota for the U. S. O. and did so by the largest amount in proportion to our population.

Your Council, with the cooperation of your Selectmen, has, during the past year, approved the following expenditures for the use of the various groups taking part in Civil Defense:

7 Stretchers @ \$7.50	\$52 50
15 Badges (Special Deputy Sheriff) @ \$1.62	24 30
12 Red, Blue and White Signal Lights for use with traffic control during blackouts @ \$1.39	16 68
125 Arm Bands C. D.	3 30
500 Identification Cards for C. D. Workers	2 69
Postage and Stenographic expense	2 00

In closing, your Director of Local Civilian Defense, wishes to acknowledge the great assistance rendered by Fire Chief Koltonski of the Rutland City Fire Department who appeared before gatherings at the Haiti Schoolhouse, Mill Village Chapel and twice at the Town Hall at Center Rutland; also to Mrs. Floyd Blanchard and Miss Mary Beebe who assisted in the original canvass of residents in their homes, and to Mrs. Harley Blakey who had charge of the canvass in the Center Rutland district. I wish also to express appreciation, both personal and for the Council, for the willing cooperation of our residents in every line where their assistance was possible and requested.

Respectfully submitted,

H. EDWARD DYER,
Director of Local Defense.

WAR BONDS

To the People of Rutland Town:

During the past year the people of the State of Vermont have purchased \$18,000,000 worth of War Savings Bonds. This represents an investment of approximately \$50 for every man, woman and child in the State.

Vermonters were able to buy \$18,000,000 worth of bonds last year mostly because 410 industrial and mercantile establishments throughout the state have provided a means whereby their employees can buy bonds on an installment basis. More than 38,000 men and women are included in the plan. Every week or every month these employers deduct from the employee's wages the amount that the employee has designated and the money is invested in War Savings Bonds.

Good though this record may appear it is not good enough. As Vermonters we did not meet the quota assigned to us, a quota based on known earned income. There are thousands of people throughout the State of Vermont *who have not yet bought a bond*, people who can and should buy them.

When you read this town report and realize that you manage your own town affairs because this is a free country just ask yourself, "Am I putting enough into this war effort to insure a continuance of freedom?" If you are not, then make plans to start buying stamps and bonds at once. Make a regular, definite commitment to buy systematically. Only in that way can you derive the full advantage of having such an investment offered you. Only in this way can our Government derive the benefit of your money NOW.

Our President says, "We fight to retain a great past . . . We fight to gain a greater future." Do your part by buying bonds!

FRED C. MARTIN,
State Administrator,
War Savings Staff.

WILLIAM BURKE,
Town Chairman.

I AM THE AMERICAN SOLDIER

The following letter was written by Edward Markham, editor of the St. Peter (Minn.) Herald, the night before he enlisted in the United States Army in 1917:

"I am a mother's son. I am the pride of a family and part of a home. I love my life as you love yours. I am a youth in years and experience in life, yet I am a gambler, betting the highest stakes that a man can wager—my life. If I win, you win; if I lose, I have lost all. The loss is mine, not yours; and there is a grieved mother, a saddened family and a broken home to which I can never return.

"I ask only for the Godspeed and support of my nation in return for laying upon the altar of my country my all. For bravery and blood will you furnish bullets and bread? Will you pawn your shekels if I pawn myself? Will you hazard your wealth while I risk my life? I am the flower of a nation's manhood, the glory of a noble race. I am the American soldier. I am the Boy in the Trenches."
